Display conditions:	None
Date of entry in Register:	10 June 2019
Date of direction to issue a label:	No direction to issue a label has been issued
Date of notice of decision:	31 May 2019

Summary of reasons for decision:

This text file promotes and encourages criminal acts to a high degree. It comprises instructions on the making of restricted weapons and ammunition in a manner which is strongly encouraging of their illegal manufacture. The right to freedom of expression contained in the New Zealand Bill of Rights Act 1990 has been considered. However, the objectionable classification applied to this publication is a justified limitation on that right given the very high risk of injury to the public good.
